

OFFICE OF D. J. GOLDENBERG,

THE MONUMENTAL,

937 and 939 F ST. N.W.

Our first announcement through THE SUNDAY HERALD we think should be a little description of our department—what they contain and what inducements they offer.

We have been visited by thousands of ladies last week, and we are sure that all of them found that we were very modest in speaking of ourselves in the Opening Announcements in the daily papers. Our house is one of old standing in Baltimore, and we found ourselves better known here than we anticipated. A great many patrons of our Baltimore house paid us a visit last week and were more than pleased to find us located here.

Now, in speaking of the stock, beginning with MILLINERY, we claim that no house in Washington has ever shown such a superb variety of styles of TRIMMED HATS and BONNETS, and at such low figures. We need not make comparisons with prices charged by other houses. It only needs an inspection to show you that no such prices were ever quoted by any house in the city. The reason is plain—Our PARIS HATS we import direct, thereby saving importers' profits. In trimming Hats ourselves we do not charge exorbitant rates for our ideas, and buying both hats and materials in large quantities, and from first hands only, we are enabled to sell these goods at about what other milliners pay for them.

In our untrimmed stock we want to quote a few prices. These are popular goods that everybody knows. For instance, the Best Quality Fur Felt are sold at variable prices. Some sell them at \$1.50; the most sell them at \$1.75, and some at \$2.00. Now, we have every color and shape. Our quality is the finest. Our price is \$1.29. Again, lower grade of Felts, which sell everywhere at 85c. and \$1, we offer you at 69c. We therefore claim that in the hat line, to begin with, we are entitled to your trade, offering the inducements as we do.

Next. The Ribbon Department is one which we can speak of with pride. We have a complete line of RIBBONS. Everything that implies to a ribbon department. Hat Ribbons and Dress Ribbons we can safely claim the most complete department in the city. Here again is where we offer the bargains: SATIN EDGE GROS GRAIN RIBBON is very much used for dress trimmings in the narrow widths and hat trimmings in the wider width. We carry a full line of colors and widths from number 2 to 40. Our prices are:

No. 2 55c. apiece, 6c. a yard.	No. 7 \$1.20 apiece, 13c. a yard.	No. 16 \$2.50 apiece, 27c. a yard
" 4 75c. " 8c. "	" 9 \$1.60 " 17c. "	" 22 \$2.95 " 31c. "
" 5 95c. " 10c. "	" 12 \$2.00 " 22c. "	" 40 \$3.30 " 35c. "

As these are the very best qualities it takes only a glance to see that every width is from 3 to 5c. cheaper than other houses ask for these goods. This same we can say of Satin and Gros Grain Ribbons. We have every shade. They are suitable for fancy work as well as hat trimming, and every width is from 3 to 5c. lower a yard. We will have to pass over our immense assortment of Millinery Trimmings on such as fancy Novelties, Birds, Flowers, etc., etc., but we must stop a moment at VELVET. We make a special department in Velvets, and carry a full line of dress shades, and offer them at the following prices: A very good grade of silk Velvet, 19 inches wide, at 95c. We are convinced that no house in this city will sell them less than \$1.25. Then a very fine Croise Velvet, which usually sells at \$2.00 we offer at \$1.50. All in the newest shades and black.

We now go to the CLOAK DEPARTMENT. There you will find everything that is new and stylish. Paris Novelties, also Domestic Fancy Garment. Styles suitable for all kinds of people, stout or thin, tall or short, Ladies, Misses, or Children. In fact, we might say that for Misses and children there are more styles than is usual for any house to carry. We also make a specialty of stout Ladies' Wraps, having a complete assortment of extra large sizes. We have a counter of \$5 Jackets, which we show for a leader. There are different styles. All new and stylish. Actual value is from \$6 to \$8. When you are down town take a peep at these goods.

MUSLIN UNDERWEAR and CORSETS occupy a large portion of our store, because they are two strong departments. With big stocks and low price they will surprise the town. The beauty of our goods is that the lowest priced garments are as well made as the finest. We are particular about workmanship and you can be assured that we have good wearing goods.

MUSLIN DRAWERS with Cambric Ruffle at 25c. are marvels, as are Cambric Corset Covers at 21c. Then in Corsets we have every good number of every popular make, and right here let me say something about a leader in this line. The "Boulevard" French woven Corset always sells at 75c. We offer it at 58c. The Sylvia and Beatrice at 93c.

INFANT WEAR DEPARTMENT is complete from Booties to Caps. Everything that appertains to the line.

HOSIERY is an article that you want to watch closely to get the best values. In staple goods we have the very finest numbers for 25 and 50c. that can be bought, besides we have a very large lot of Fancy Hose, value 50c., at 25c. In fine fancies we defy them all. Whether it be Cotton, Lisle, of pure Silk, we can beat them both as to quality and low prices. We are selling the finest Pure Silk Hosiery in all the high colors at \$2.65 that sell everywhere at \$3.25, and \$3.75.

In KID GLOVES we offer a specialty, but before we go any further we will say that all our Gloves are made to our order out of selected skins, and are sure to fit. In fact, we guarantee them to fit and also not to rip. The specialty we would speak of is Tan and Gray Mosquetaires at 89c. for \$1.25 quality. They are beauties, all the different lengths in Evening Gloves in opera shades.

Want of Space compels us to pass over HANDKERCHIEFS, RUCHINGS, and NECKWEAR, FANS, POCKETBOOKS, UMBRELLAS, not because they are not as complete departments, or have less good things, but because they all have so many specialties we cannot select any that are better than others. You must see these stocks to appreciate them. We only ask in conclusion that you will give us a chance to show you what we say here in print, viz.: That on every article in the house you can save from 10 to 15 per cent.

FOR WOMEN PHYSICIANS.

A Movement to Afford Them Better Clinical Opportunities.

A meeting was held at Dr. Bliss Hinds's on Friday evening to consider the expediency of affording better clinical opportunities to women physicians than are now attainable. Dr. J. Ford Thompson, Dr. G. W. Prentiss, Dr. Swan Burnett, Dr. Yarrow, Dr. D. S. Lamb, and Dr. J. H. Bryan have expressed a hearty sympathy in the movement, and will constitute an advisory board. Letters were read from many women of business experience, and all think it a most desirable work. One, a leading educator, writes: "I know of no more necessary work than this in which you are about to engage." The following physicians will each have charge of a clinic: Dr. Mary E. Parsons, Dr. Ida J. Heiberger, Dr. Clara Bliss Hinds, Dr. Amelia Erback, Dr. Daisy M. Orleman, and Dr. Julia E. Smith. Temporary committees were appointed to secure rooms, solicit contributions, and draw up a constitution. A public or adjourned meeting will be held on Tuesday at 7:30 P. M., at Dr. Clara Bliss Hinds's, 1331 N street. All ladies and gentlemen interested in this movement are invited to be present.

A MISTAKE WAS MADE.

The Directors of the Emergency Hospital Run Against a Snag.

The directors of the Emergency Hospital and Central Dispensary have got themselves unwittingly into a tangle over the new building projected for their use on Fifteenth street. Among the items mentioned in the Sundry Civil Appropriation bill was one naming \$30,000 for use in constructing a building suitable for the Emergency Hospital and Central Dispensary of the District of Columbia. Acting on this generous action of Congress the directors of the institution commissioned Mr. F. F. Schneider, the architect, to draw up plans and specifications for the hospital building. Mr. Schneider went to work, finished and submitted his plans, and they met with the unanimous approval of the board of directors of the institution. As soon as the bill making the appropriations became a law proposals for the construction were taken, as is usual in such cases, the plans being distributed around for the purpose of receiving estimates from the various contractors. But right here they ran afoul of a snag that for the present has upset all their plans and leaves Mr. Schneider out in the cold. On Monday last Mr. J. H. Howlett, a well-known contractor, complained to the District Commissioners that the action of the board of directors of the hospital and their mode of procedure were in violation of law, and that steps should be taken to stop further proceedings. Mr. Howlett quoted the following clause in the act making the appropriation: "That the plans and specifications for each of said buildings, and for all other buildings provided for in this act, shall be prepared by the Inspector of Buildings of the District of Columbia, and shall be approved by the Architect of the Capitol and the Commissioners of the District, and said buildings shall be constructed by the Commissioners in conformity therewith." As soon as they could the Commissioners wrote to President B. H. Warner, calling his attention to the law, and at once the Schneider drawings were called in by order of the directors. Mr. Schneider knew nothing of the law. All he knew was that plans were wanted, and he got them up. There is no appropriation available to pay him, but it is stated that he will be paid.

DIED.

EICHELBARGER.—On Friday morning, September 19, 1890, at 1035 A. M., Carrie Belle, beloved wife of Daniel G. Eichelbarger, aged thirty-eight years and eight days.

Do you weep when another Star
Shines out on the Glittering Sky?
Do you mourn when the noises of War
And the rage of conflict die?
Then why should your tears roll down
And your heart be sorely riven
For another Gem in the Savior's Crown
And another soul in Heaven?

Funeral on Sunday evening, the 21st instant, at 4 o'clock, at St. Paul's English Lutheran Church, corner Eleventh and H streets northwest, where relatives and friends of the family are invited to attend.
